# Supra

Conectividad  
sobre mesa  
On desk  
connectivity

ES

La solución de diseño y a medida para la conectividad sobre mesa en cualquier grosor de tablero.

EN

The customized design solution for connectivity on desktops of any thickness.

ES. Supra montado en mesa regulable en altura.

EN. Supra mounted on height adjustable desk.

ES

### Instalación rápida y flexible

Su sistema de instalación anclado al tablero permite una fijación rápida y sencilla, sin necesidad de mecanizar la mesa o elementos adicionales. Dispone de accesorios para cubrir un amplio rango de grosores de tablero de 5mm hasta 55mm.

### Sistema modular

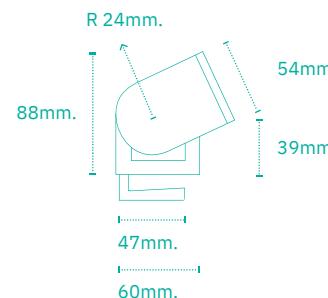

Permite configuraciones a medida combinando tomas de corriente de diferentes países, cargadores USB, elementos de datos y multimedia. Nuestro sistema modular facilita el montaje e intercambio de dichos elementos de datos y multimedia, con la entrada directa trasera de los cables.

### Aplicaciones

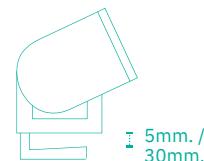

- Mobiliario de oficina operativo.
- Mobiliario técnico y de laboratorio.
- Mobiliario de cristal.
- Salas polivalentes.

ES. El diseño de Supra oculta los tornillos de montaje.  
EN. Supra design hides mounting screws.

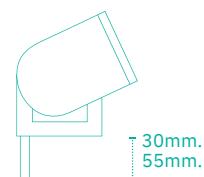

### Medidas / Measures

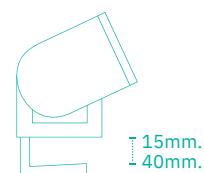

### Modelo A / Model A

### Modelo B / Model B

### Modelo C / Model C

EN

### Quick and flexible installation

Its clamp bracket mounting system allows quick and easy installation in desktop without machining the table or using additional components. Standard fixings available to suit any desk thickness from 5mm to 55mm.

### Modular system

It allows to manufacture customized configurations combining power sockets from most countries, USB chargers, data and multimedia elements. The modular system facilitates the mounting and components interchanging with rear direct cable input.

### Applications

- Operational office furniture.
- Technical and laboratories furniture.
- Glass furniture.
- Polivalent rooms.
